Instructions:

1. Emboss Powder Pink card stock using Quilt Top Embossing Folder and Big Shot. Adhere to front of thick white card base.
2. On small white rectangle cardstock, stamp sentiment using Smoky Slate ink and tiny heart in Powder Pink. Layer onto Smoky Slate card stock. Attach to center of card using Stampin' Dimensionals.
3. Stamp bold ribbon using Powder Pink ink onto larger white cardstock. Stamp detailed ribbon stamp in Smoky Slate OVER THE TOP of the bold pink stamped image (if the Smoky Slate pad is really inky, you may want to stamp off the image once on a scrap paper first).
4. Use framelits and Big Shot to cut out ribbon. Attach to left side of sentiment using Stampin' Dimensionals.
