Measurements:

- Night of Navy: 8 1/2" x 5 1/2"
- Wood Textures DSP Stack: 5 1/4" x 4"

Instructions:

1. On the Wood Texture DSP, stamp the large flower in Marina Mist along the left edge of the paper and along the bottom
2. Using the smaller flower, stamp with Night of Navy over the Marina Mist
3. Using the solid circle, stamp in Early Espresso for the center of the flowers
4. Take the small dots stamp in Early Espresso to add to the center of the flowers and randomly stamp around the flowers on the Wood Texture DSP
5. Using Old Olive, stamp the outline leaves stamp on Wood Texture DSP
6. Using Early Espresso, stamp sentiment to the Wood Texture DSP

7. Cut 2 pieces of Linen Thread (4 1/2") and adhere to the back of the Wood Texture Paper with Mini Glue Dots
8. Attach Sahara Sand card stock to inside card base
9. Attach Wood Texture DSP to front of card base
10. Attach bow with Mini Glue Dot (I take two pieces of the Linen Thread to make my bow. I find it easier to hold two pieces instead of one.)
