Instructions:

1. While acetate box is flat, mark and cut in half (at 4" from the end). Emboss it inside the Simple Stripes Embossing Folder and use only one cutting pad on the top as you run it through the Big Shot. Assemble the box.
2. Attach 2 glue dots to the bottom corners of the back side of the DSP and insert paper into the box. Fold the top over along the scored lines to create a lid.
3. Stamp "Treat Yourself" in Bermuda Bay ink toward the lower edge of the Soft Sky scrap of card stock. Punch it out with the 1-3/4" circle punch and adhere to large silver doily.
4. Adhere top edge of doily to the front of DSP cover.
5. Adhere a velcro dot to the front of the box and under the doily as a closure.
6. Add a Mini Bow to the front.
7. Fill with candy, treat, gift or gift card!
